

Benefits of Joining

Our 1.3 million members work in local government, health care, education, the utilities and the voluntary sector or for private companies providing services to the public.

Organizing in a union we can:

- Improve pay & conditions at work
- Represent you in case of a grievance or disciplinary action
- Promote Health & Safety
- Tackle stress & bullying at work
- fight unfair dismissal
- Challenge Discrimination

Whether you are already a UNISON member or a new member, or thinking of Joining, we have great deals and offers for you to take advantage of. UNISON is second to none at looking after our members interests inside work and outside of work too. UNISON is proud of the services that it offers.

Please click on a link below to see more details on the benefits available to Unison members.
